

# Where is it written that a railroad only has to use rail?

When it comes to your shipping mix, trains are often the best choice, but other modes do have certain advantages. That's why we coordinate everything for our customers, from truck to train to cargo ship. You may require all three. You might need only one. With Union Pacific, it doesn't matter. We've hauled America's goods for 150 years – over rail, over road and overseas. Find out what we can do for your business. Call (877) 883-1422 or visit [UnionPacific.com](http://UnionPacific.com) and start shipping door-to-door today.
