HOW TO ACCESS UMAX

Equipment Reservations for UMAX as well as program rules can be accessed via ChannelSpeed, a real-time, web-based reservations system. REZ-1 serves as an independent agent that handles all reservations and billing functions for UMAX.

REZ-1 and ChannelSpeed provide customers:

- Real-time information via www.rez1.com
- Equipment reservations and tracking
- Coordinated billing functions
- 365-days-a-year customer service center
- Automated reporting services to view shipments in real-time

An interline container program jointly presented by

UMAX MORE THAN JUST A BOX

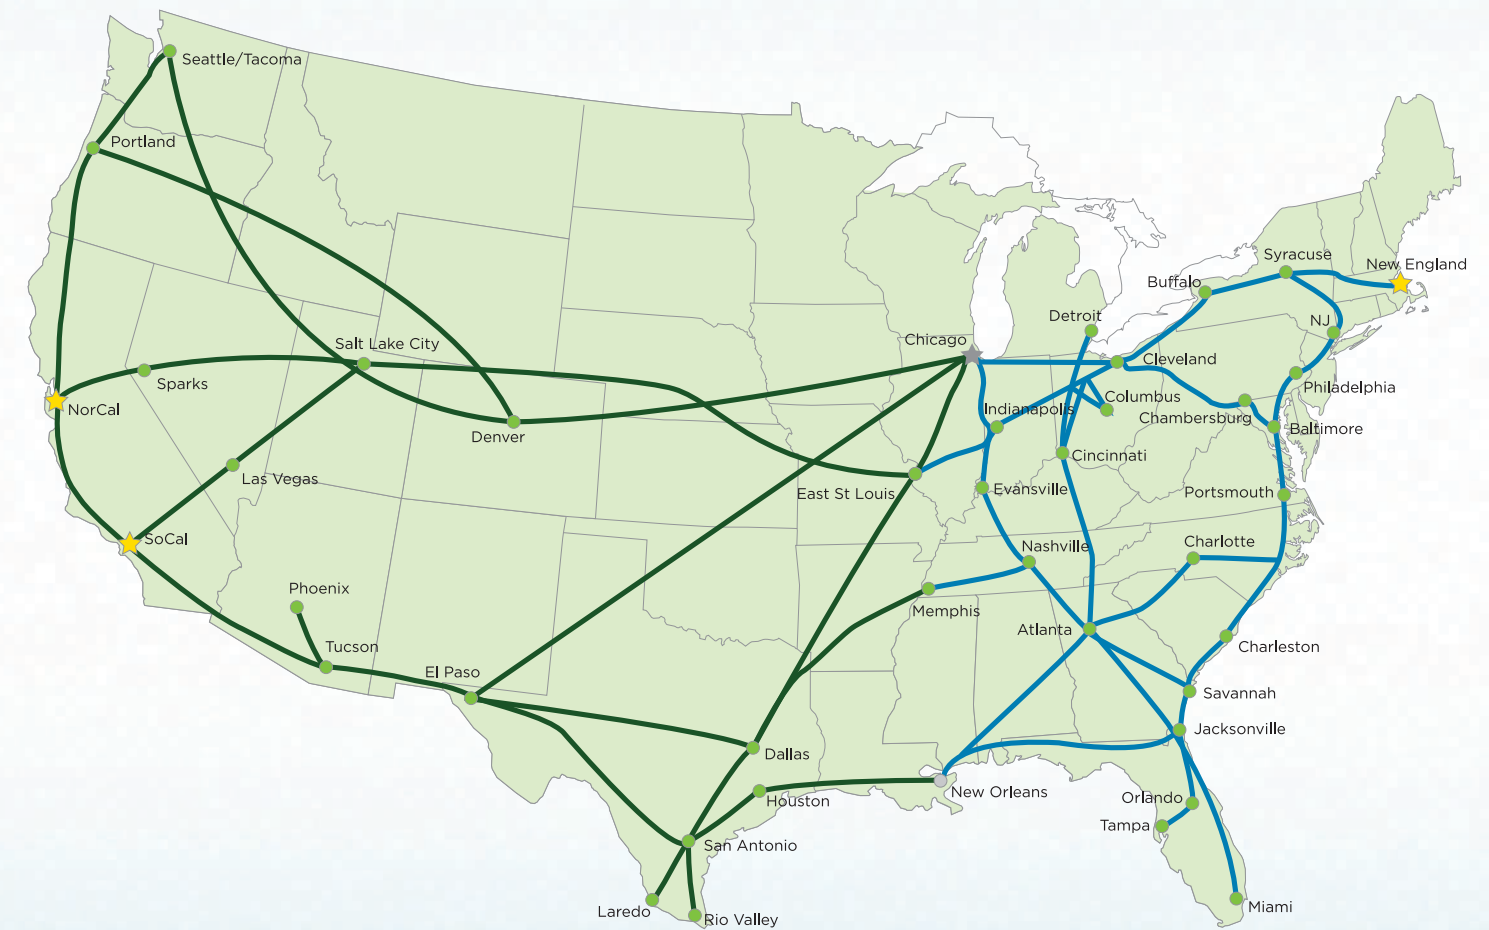

COMBINING RESOURCES UMAX is a domestic interline container program jointly marketed by CSXT Intermodal and Union Pacific Railroad. Whether you need ramp-to-ramp or door-to-door service, UMAX has the answer. Just choose the solution that best suits your transportation needs, and let us take care of the rest.

UMAX AT A GLANCE

- Truck-competitive service in key lanes
- Local and Transcontinental service on CSXT Intermodal and UP domestic container networks
- Access to more than 20,000 53-foot rail-provided containers
- Available to a broad spectrum of customers: Freight Brokers, Intermodal Marketing Companies, Less-than-Truckload, Parcel and Truckload
- Easy ramp-to-ramp container reservations through REZ-1
- Door-to-door service through CSX *QuickQuote* and UP *Streamline*
- Equipment Per Diem Free Time 'bundled' into linehaul rate for ease-of-doing business
- A simple one box, one freight bill transportation solution

CONNECTING MARKETS Featuring more than 600 service lanes, UMAX provides customers with expanded market reach across North America supported by faster and more frequent train schedules.

- SoCal to New England (availability 1400 day 5)
